

Intern, Foreign Trade Zone (FTZ)

Location: Panama City, FL

Paid Internship

JOB DESCRIPTION

Interns, through an initial training period, gain familiarity with industry specific terminology and regulations. Interns utilize various computer software systems to assist with daily operations. Copper Hill provides outstanding leadership guidance to interns to help them break into the industry and offers support throughout.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Validate and audit data for accuracy.
- Assist with client communication to obtain pertinent information, resolve discrepancies, or other issues.
- Utilize client Inventory Control and Record Keeping Systems in order to properly report inventory movements to Customs and Border Protection (CBP).

QUALIFICATIONS

- Positive attitude and willingness to work as a team member with a professional demeanor and can-do outlook.
- Proficient with Microsoft Office Suite, Excel, Word, and Outlook.
- Attention to detail and problem-solving skills.
- Currently enrolled in a degree seeking college program (Business, Supply Chain Management, Logistics, or Operations Management related field is a plus but is not required).
